

Mullion Reader

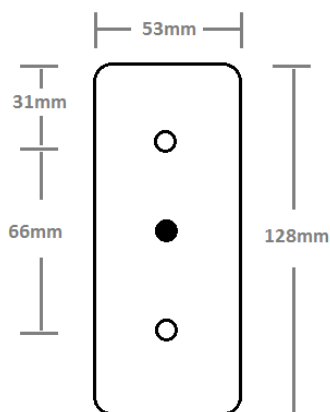

Orcomm Mullion Reader is designed for residential or commercial use.

This robust design allows internal or external installation. With new wireless technology reading chipset we can have up to 10cm read range.

Anti-metal influence design using HIP plastic.

For your own LOGO please contact our team.

Model:	ORC - M
Size:	128mm×53mm×25mm
Color:	Black
Weight:	0.22kg
Box:	128mm×53mm×25mm
Box color:	Black
Box weight:	0.5Kg
Temperature:	-10 - 90°C
Humidity:	10% ~ 95% R.H
Voltage:	DC 5 - 15V
Current:	< 100mA
Power:	≤1W
Type:	Mifare

Outdoor:	IP65
Reading time:	0.2s
Floor capacity:	
Communication:	Wiegand WG34 (or WG26)
Communication distance:	100 meters between access controller
Card reading:	1 – 10cm
Communication :	100 meters

Controllers: ORC 1DC, ORC 2DC, ORC 4DC, ORC LFT
